catering@brixonmain.com

BRIX on Main is located in downtown Acworth and we offer classic American style dishes that are made from organic, non-GMO, locally grown produce. Due to the lack of restaurants in the area that are willing to cater to those with allergies and other dietary restrictions, we also strive to produce a healthy variety of gluten free, dairy free, vegetarian, and vegan options. Our menu options range from simple hors d'oeuvres to full course dinners, and we can customize any order to accommodate all dietary needs. We look forward to celebrating with you!
